NOTES AND ORDERS.

V 1) In Govt. Pro. No. 7180-90 dated the 6th Dec 08, sanction has been accorded to the grant of Charge allowance to the Hospital Assistants in charge of Local Fund Dispensaries at the rates of Rs 20, 15 and 10 per mensem. The Senior Surgeon recommends the grant

of the above allowance to the passed medical pupils who are posted to independent charge of L. F. dispensaries. The reason for which charge allowance was originally sanctioned to Hospital Assistants in charge of L. F. Dispensaries in the State was to keep them on an equal footing as regards pay with the Hos. Assistants of the Madras presidency (vide Govt. Prs. No. 1889-97-45 dated the 4th June 1899).

3) Passed medical pupils should not, as far as possible, be put on independent charge of L. F. dispensaries, but when they are so posted, it does not seem reasonable to deny the charge allowance to them.

To

Offg.Secretary to the Govt., of H.H. the
Maharaja of Mysore, Gen.& Rev.Deptts.,
Bangalore.

Sir,

In forwarding herewith a copy of Comptroller's letter No.4893/1664, dated the 23rd February 1909, I have the honor to state that in the exigencies of service, Passed Medical Pupils are posted to be in charge of L.F. Dispensaries and it would be really hard upon them if they are deprived of the charge allowance on the grounds urged by the Comptroller recently - for, the Passed Medical Pupils are fully competent to share the responsibilities devolving on them when placed in independent charges.

I would therefore request that you will be so good as to obtain the sanction of Government to allow the charge allowance to the Passed Medical Pupils whenever they are posted to independent charges carrying a charge allowance.

I have the honor to be,

Sir,

Your most obedient servant,

Enclosure No. 1.

SUBJECT.

Requesting to obtain sanction of Govt. to allow charge allowance to the Passed medical Pupils when posted to independent charge of a Lr. S. dispensary.

No.4893/1664 dated 23rd February 1909 from the Comptroller of Mysore, to the Senior Surgeon in Mysore.

Adverting to your docket No.4610 dated 4th Feb. 1909 returning this office objection slip No.98/T.A.M, d/- 15th January 1909 in re the salary bill of a Shiva Rao, Passed Medical Pupil for July 1908, I have the honor to state that no objection has been taken in the slip sent by you for the Passed Medical Pupil's claim to charge allowance in general but only for an excess payment which has since been adjusted.

Such objection has, however, been taken on other slips and I understand you to refer to them in your docket under reply. From a perusal of G.O. Nos. 1889-91-45 dated 4th June 1889 and 7186-96-Cir.164 dated 6th December 1889 in which the question of granting charge allowance is considered in detail, it will be seen that the allowances are intended only for Hospital Assistants. That Passed Medical Pupils are not Hospital Assistants is evident from para 12 of Chief Commissioner's Notification No.102 dated 7th June 1871 which governs the entire system of training pupils for Medical Service and of appointing Hospital Assistants. It is clearly stated there that Passed Medical Pupils cannot be regarded as Hospital Assistants until they are appointed as such and that they have only to be attached to a Civil Hospital as subordinates until they receive promotion to the grade of Hospital Assistants.

Under these circumstances I regret this office cannot admit the claims of Passed Medical Pupils for charge allowance when placed in charge of L.F.Dispensaries without the special orders of Government.
